National 5

Complete National 5 Physics prelim paper (110 marks).

[updated 2026/2027 format]

The question paper includes both Section 1 (*Objective Test, 20 marks*) and Section 2 (*extended response questions, 90 marks*).

Higher

Complete Higher Physics prelim (130 marks).

[updated 2026/2027 format]

The pack includes both Section 1 (*Objective Test, 20 marks*) and Section 2 (*extended response questions, 110 marks*).

Advanced Higher

Complete Advanced Higher Physics prelim (130 marks).

[updated 2026/2027 format]

This pack contains a carefully balanced test paper which closely emulates the national standard.

The paper appropriately samples from the full course to help provide valid, reliable and robust estimates.

All 2026/2027 P&N prelims fully comply with Qualifications Scotland Arrangements Documents etc. valid for the next examination diet (2027). P&N prelim question papers at all levels are carefully balanced and closely emulate the national standard. Papers appropriately sample material from the full course (as specified in the 'Further mandatory information on Course coverage' section in the Course Assessment Specifications) to help generate valid, reliable and robust estimates. The detailed marking schemes give likely candidate responses and full guidance on marks allocations.

All P&N Prelims are **independently scrutinised** to help ensure that **robust, valid and reliable estimates** of candidates' likely exam performances can be generated.

PDF downloads are supplied in the industry-standard Portable Document Format (PDF). These structured documents can be sent directly to printers and digital copiers, producing high-quality masters suitable for high-speed printing and copying.

Accessible Digital Question PDFs for use with candidates with **Additional Assessment Arrangements**, may be requested after purchase at **no additional charge** by placing a request, quoting your invoice/order number, using the form on our website (T&Cs apply).
